

What it means to be a good friend

From this article we learn what it means true friends. What qualities they possess and what character traits we need to be a good friend. Dear friend, you are probably also concerned about the issue, what do you mean real friends? Maybe you think that social networking has a lot of friends? You have a lot of friends. Think yourself, can such friends to support you? They know about you?

I think it is better to have real friends. Yes a true friend ready to support you in difficult times not only in word but in deed, he is ready to help you become a better person. In one ancient book said about friendship, what a true friend he likes at any time and ready to come in the hour.

Real friends and their quality

Can you say that your friend is willing to go to any inconvenience for you? If so that's good. In addition, if a true friend, he is looking good for others and not just worry about yourself. We are pleased when our friend has some good qualities, such as:

- the ability to listen
- to show interest in others
- to be honest
- open
- to be able to see your mistakes
- and recognize them
- to be ready to come in the hour
- and to be selfless.

If we are pleased that our friend has such great quality, why don't we acquire such qualities that will be pleasing to other people, and we will have more friends.

Yes that's right, every man wants to have friends and not just friends, but real. Maybe someone thinks that other can become automatic, but it is not, there is no such as on social networks pushed the button and you're friends. However, it is possible to learn how to become a true friend.

Dog can he be a true friend

When we meet him, he starts wagging his tail. And if you stop and give it a bit of time patting him, he will be happy and will try to show how in love with you. Yes, we know that it is simple and sincere. It is not lies and deceit. He has no intention to sell us anything and not even trying to marry you. Yes, it's a dog like you probably already guessed. They say that dog is man's best friend.

The dog gives attention and love to their owners. At the same time, the hen lays eggs, a cow provides people with milk, entertains Canary that sings. And the dog lives and bestows his attention and love and she doesn't need to work [excel homework assignments](#). This is a perfect example. In the dog there is no such word, I have to help him, or he needs to help me.

Quality needed real friends.

Good advice regarding the friendship was expressed by Ralph Waldo Emerson, he said: "the Best way to get a friend is to be a friend".

What friendship can be, if you don't have time for your friends. If the wood on the fire is not put, he will go out, and friendship, and she, in turn, requires time.

When we don't listen, do we? Of course, you're talking about and understand what they say to the wind. Just a waste. If you want the next time to speak with the person who's listening? Of course not. It is therefore important to be able to listen, not interrupt, show interest to the feelings of the interlocutor. But it is also important to encourage the person to talk about themselves.

If we will constantly speak about yourself, then it will be difficult to find people willing to listen to us. However, this does not mean that no such people. There are people who are ready always to become a friend, listening to others. And we too appreciate it.

We also understand that all people make mistakes. There are no such people who do not make mistakes. Oh yeah who does nothing and he makes no mistakes. Yes, if a friend is really true, he won't notice small mistakes. Real friends appreciate not for minor errors, and for good quality.

Forgiveness also helps not to lose the friendship. The ability to forgive helps to keep it no matter what.

In addition each of us will come in handy such as the quality of generosity, or the ability to share. Everyone can ask yourself: "what can I do for my friend?"

Besides simple praise can help people to blossom like flowers in the garden.
